Two Great Hotels in Augusta - Georgia

Here are a couple of great hotels you might want to consider if you're planning a golf vacation in or around Augusta, Georgia: [The Partridge Inn](#) and the [Azalea Bed and Breakfast Inn](#). Both are close to two of my favorite Georgia golf courses: Goshen and Jones Creek. No, you won't be able to play Augusta National, but if you play one of these two, you will be able to say, "I played Augusta."
